Dear Matthew,

**RE: Endorsement of suitably qualified persons to author Herringbone 1 Panel Extraction Plan**

Based on outcomes from recent mine design and geotechnical conditions experienced in the first workings it has been determined that Herringbone 1 (HB1) Panel is planned for pillar extraction. This panel and associated mine layout is shown on the attached plan (C4A0101\_0). This panel has been designed to take into account all known surface and geotechnical constraints in this area.

Delta Coal is seeking endorsement, by the Secretary of suitably qualified and experienced persons to develop and write the Chain Valley Colliery Extraction Plan for HB1.

*Schedule 4, condition 7(a) The Applicant shall prepare an Extraction Plan for all second workings on site, to the satisfaction of the Secretary. Each Extraction Plan must: a) be prepared by suitably qualified and experienced persons whose appointment has been endorsed by the Secretary*

Delta Coal is seeking the endorsement of the following individuals;

- Tim Chisholm, Delta Coal Mine Surveyor
- David Hill, Strata 2, Mine Subsidence / Geotechnical Engineer and
- Chris Armit, Delta Coal Approvals Coordinator

Please find attached the Curriculum Vitae's of each individual. Should you require any further information relating to the above please do not hesitate to contact me directly.

Yours faithfully,

**Chris Armit**

**Approvals Coordinator**
