Dear Ms Morales

Modification to Caltex Kurnell Refinery Conversion Works (SSD 5544 MOD3)

Thank you for inviting the Public Health Unit of South Eastern Sydney Local Health District to comment on the modification works for the above premises. We have reviewed the Statement of Environmental Effects Report (SEER) for the removal of Tank 101.

The Public Health Unit has reviewed the SEER and found to be satisfactory and no objection is raised to removal of tank 101 provided that the matters previously raised by NSW Health are adhere to and noise exceedances are managed.

Should you need additional queries, please do not hesitate to call Santo Cannata Senior Environmental Health Officer on 9382 8244

Yours Sincerely

Professor Mark Ferson MPH MD FRACP FAFPHM FRSPH
Director & Public Health Officer
