Dear Edmund,

RE: INTERIM EXHIBITION FACILITY GLEBE ISLAND EXPO – ACCESSIBILITY STATEMENT

This letter has been prepared by Morris Goding Accessibility Consulting (MGAC) for Lend Lease (Millers Point) Pty Ltd to support amended application for the Interim Exhibition Facility Glebe Island Expo.

MGAC has reviewed and assessed the drawings and relevant documentation prepared in respect of the submission as noted below:

- A1000_D, A1001_D, A1002_D, A2200_E, A2700_D, A2701_D, A2702_D, A3000_C, A3100_C, A4500_E, and A8000_C.

The MGAC Report (DA Submission) dated 15 February 2013 that supported the original Project Application concluded that the accessibility for the Interim Exhibition Facility Glebe Island Expo will be able to achieve the accessibility design requirements.

Upon review, the above amended application drawings have no additional impact on the achievement of accessibility compliance. MGAC is of the opinion that the current application drawings do not require any additional supporting information, analysis or commentary at this stage of the design.

Yours Sincerely

David Goding
