Dear Ms Jones

**State Significant Development Application  
North Eveleigh Affordable Housing Project (M08\_0015 MOD1, SSD5708)**

Thank you for the opportunity to comment on the proposed modification to the Concept Plan for North Eveleigh and the State Significant Development Application for the North Eveleigh Affordable Housing Project.

Housing NSW strongly supports the proposal for the Affordable Housing Project since it will significantly increase the supply of affordable housing in the location and will go some way in meeting the target set by the Redfern-Waterloo Affordable Housing Contributions Plan for the North Eveleigh site.

It is requested that the Centre for Affordable Housing, Housing NSW, be further consulted in relation to any future proposal for the remainder of the required affordable housing yet to be provided on the North Eveleigh site.

If you require any information in relation to this submission please contact Ms Sue Brown, Principal Planner, Centre for Affordable Housing on 8753 8529 or email [sue.brown@facs.nsw.gov.au](mailto:sue.brown@facs.nsw.gov.au).

Yours sincerely
