

LAURIE FERGUSON MP SAYS... COAL FRACKING: NO WAY MR PREMIER

AGL's plan to expand their Coal Seam Gas operations will put local families and homes at risk from harmful contamination of groundwater, subsidence and the release of dangerous gases into our atmosphere.

COAL FRACKING: NO WAY MR PREMIER

I object to the proposed expansion of the AGL Energy Limited Camden Gas Project Stage 3. Coal fracking, drilling and blasting next to residential areas poses an unacceptable risk of contaminating our groundwater, aquifers and the release of dangerous gases.
