Dear Sir/Madam

I write to register my objection to the Mt Owen Continued Operations Project that has been put forward by Xstrata Mt Owen Pty Ltd.
Re - Application Number: SSD 5850

My family and I are objecting to this development due to the potential environmental and economic impacts on our property. We have resided on our property for forty years and have witnessed the beginning and growth of mining in the area.

The southerly extension of the existing North Pit further increases our exposure to the downside of mining.

Yours sincerely
Morris Porter
