

Director, Mining Projects
Department of Planning & Environment
GPO Box 39
SYDNEY NSW 2001

SUBMISSION TO GOVERNMENT REGARDING THE MT OWEN CONTINUED OPERATIONS PROJECT

DATE:

27/1/15

NAME:

Luke Rees

ADDRESS:

6/3 York Street, Singleton, NSW 2330

PROJECT NAME: Mt Owen Continued Operations Project

APPLICATION NUMBER: SSD5850

Please write below statement of whether you support or object the Mt Owen Continued Operations Project and your reasons why:

I Luke Rees fully support Mt Owen Continued Operations Project. My employer THIESS presented me with a fabulous opportunity to build a mining career and work as a trainee operator at Mt Owen complex 3.5 years ago. I have lived in and contributed to the Singleton community ever since, and can honestly say i would not be based here without mining. Over the past few years i have witnessed the highs & lows of the industry and the results on the local community. I would hate to see more jobs lost & more business taken out of the local area. I am proud to be working at Mt Owen complex and believe we implement the correct environmental & cultural practices to move forward with the community for many years.

I hope that my fellow workmates & i can continue to contribute to the local community through our employment, with the approval of Mt Owen Continued Operations Project.

Yours faithfully
