Subject: Hanson's Application to Expand Operation at their Brany Hill Quarry
Date: Wednesday, 14 November 2018 11:12:14 AM

Hi Genevieve,

I would like to add my voice of concern to the other residents of Giles Road Seaham. I strongly oppose Hanson's proposal to expand their Brany Hill Quarry operations. I do not want the peace and healthy lifestyle I have established in my home to be disrupted. I do my utmost to leave as small a footprint as possible on our environment. I am also a busy business owner in the local area so I have little time to read what they propose but a concerned neighbour presented me with a flyer with your email address and asked me to write to you expressing my thoughts.

I am not sure what your role is, but I am hoping you have some power in helping stop this proposal.

Regards,
