Dear Ms Seed

**RE: Response to Submissions (RTS) for Brandy Hill Quarry Expansion (SSD-5899)**

I refer to your email dated 9 October 2018 requesting the Heritage Council of NSW review the Response to Submissions report and provide any supplementary advice and/or recommended conditions of consent for Brandy Hill Quarry Expansion.

The Response to Submissions Report (RTS Report) prepared Hanson, dated October 2018, has been reviewed and the following comments are provided.

It is noted that under Section 3.11 Historic Heritage - the Historic Heritage Assessment (HHA), prepared by Biosis, dated 8 December 2014 concludes the Brandy Hill Quarry Expansion Project will have no impacts on historic heritage values in the project area and a procedure is provided to guide actions should any unanticipated relics be identified during project works. This addresses the Heritage Council comments and no further comment or conditions are recommended.

If you have any questions regarding the above advice, please contact James Quoyale, Heritage Officer, Heritage Division, Office of Environment and Heritage, on telephone 9873 8612 or at email: [james.quoyale@environment.nsw.gov.au](mailto:james.quoyale@environment.nsw.gov.au).

Yours sincerely

15/10/2018
