Dear Chris

**RE: S96(1a) Modification for LNG Storage**

I am writing to advise that Murray Goulburn Co-operative Co Limited as the owners of the site at 111-113 Quarry Road, Erskine Park grants its consent to a Section 96 (1A) Modification Application being lodged to modify Consent SSD 6026 which approved the construction and operation of a milk processing facility at 111-113 Quarry Road, Erskine Park.

The modification is required to provide the temporary and interim installation of a 80,000 l gas tank at the site until such time as the gas supply authority (Jemena) and retailer (Energy Australia) can make a permanent connection to the site.

Please contact me at (03) 9040 5436 or at [fiona.smith@mgc.com.au](mailto:fiona.smith@mgc.com.au) if you require any further information.

Yours faithfully

**Fiona Smith**  
Company Secretary/General Counsel
