Dear Grant,

RE: 4 MURRAY ROSE SYDNEY OLYMPIC PARK – S96 ACCESS STATEMENT 2017

This letter has been prepared by Morris Goding Accessibility Consulting (MGAC) for Lend Lease Construction and Infrastructure to support the S96 application for the Commercial Building at 4 Murray Rose, Sydney Olympic Park.

MGAC has reviewed and assessed the drawings and relevant documentation prepared in respect of the S96 application submission.

The MGAC Report dated 26 November 2013 that supported the original Development Application concluded that the accessibility for the Commercial Building will be able to achieve the accessibility design requirements as set out in the DDA Premises Standards. On this basis, MGAC is of the opinion that the proposed S96 drawings do not require any additional supporting information, analysis or commentary at this stage of the design and compliance with DDA Premises Standards and Australian Standards can be achieved.

Yours Sincerely

David Goding
