Dear Mr Murphy

**Austen Quarry Extension Project - Modification 1 (SSD 6084 MOD 1)
Comment on the Environmental Assessment**

I refer to the email of 09 March 2018 in respect to the above matter. Comment has been sought from relevant branches of Lands & Water and Department of Primary Industries.

Any further referrals to Department of Industry can be sent by email to landuse.enquiries@dpi.nsw.gov.au.

The department has reviewed the modification application and has no objections to the proposal. The department is satisfied the existing conditions of conditions adequately address matters of regulatory interest. Notwithstanding the department recommends the following points are noted by the proponent:

- Monitoring of groundwater levels is to be continued to obtain additional groundwater levels; and
- Groundwater monitoring is to be in accordance with the DPE Secretary approved Water Management Plan.

Yours sincerely
