Attn: David Gibson david.gibson@planning.nsw.gov.au

Dear David

Amendment in accordance with s96 (1A) to SSD 6107 Parkes Hospital

Health Infrastructure requests that the hours of construction provide in C1(b) of the SS Development Consent so that they align to those of Parkes Council for the Southern Distributor site immediately to the north of the subject site.

The amended hours would allow work on Saturdays from 7.00am to 5.00 pm rather than 8.00am and 1.00pm as is provided in the current approval. Given the location of the Southern Distributor project and the location of the site in respect to sensitive receivers this amendment is not anticipated to have any adverse impacts.

The work on this project has already commenced and therefore your urgent consideration of this amendment would be appreciated. If you have any questions or require additional information, please contact Leone McEntee on 0410432505 or 99785420.

Yours sincerely

Sam Sangster
Chief Executive
