7.	Description of modification
	<ul> <li>In the case of a section 96(1) application, indicate the nature of the minor error, misdescription or miscalculation in the space below.</li> <li>In the case of a section 96(1A), section 96(2) or section 96AA application describe the impact of the modification in the space below. A statement of environmental effects will need to accompany the application, which includes an assessment of the development as proposed to be modified in accordance with section 79C(1) of the EP&amp;A Act. Provisions of the Heritage Act 1977 may also apply for works to a heritage item or works adjoining a heritage item.</li> <li>In the case of a section 75W application under clause 8J(8) of the Environmental Planning and Assessment Regulation 2000, a development consent in force immediately before the commencement of Part 3A of the Act may be modified under section 75W as if the consent were an approval under that Part. However, approval from the Minister is required to lodge a section 75W application. Applicants should contact the Department first if they are considering applying for a modification under section 75W.</li> </ul>
	Regardless of the type of modification, please state below the specific conditions of consent to be modified,
