SCHEDULE 1

- Development consent:** **SSD 6284** granted by the Acting Executive Director, Infrastructure and Industry Assessments on 15 July 2015
- For the following:** The Wagga Wagga Water Treatment Plant Upgrade involves the upgrade of the Wagga Wagga Water Treatment Plant with a 55 megalitre per day clarification and dual media filtration process. The upgrade will increase the capacity of the plant and secure this capacity under conditions when the raw water had higher turbidity levels.
- Applicant:** Riverina Water County Council
- Consent Authority:** Minister for Planning
- The Land:** Lot 2 DP 540063 and adjoining Crown Land
- Modification:** **SSD 6284 MOD 1:** the modification includes:
- Amendment to condition B11 to allow construction of the pump infrastructure within the Murrumbidgee River between November and March in accordance with an approved CEMP

SCHEDULE 2

The consent is modified as follows:

1. Delete condition B11 and insert the following condition:

B11 No construction of the pump infrastructure within the Murrumbidgee River is to occur between November and March in order to minimise impacts to the Grey-headed Flying-fox, unless undertaken in accordance with a Construction Environmental Management Plan approved by the Secretary under condition C21 following approval of SSD 6284 MOD 1.
