

Sutton Forest Quarries Pty Ltd
PO Box 2499
BONDI JUNCTION NSW 1355

28 June 2018

Dear Sir

Development comprising:
Crown road
Parish
County

Quarry Access Road and Noise Barrier
Crown road north of Lot 12 DP 241054
Murrumba
Camden

Consent is refused by the Minister for Lands and Forestry to the lodgement of applications for approval under the *Environmental Planning and Assessment Act 1979*, and other associated applications required under other legislation, for the development proposal described above.

The Department cannot give consent to the construction or proposed construction of a Crown Public Road under Section 71 of the *Roads Act 1993*. Where construction of a Crown Road is proposed the applicant is expected to approach Council with a view to having the road transferred to Council and then constructed in accordance with Council's requirements.

The Department advised you to contact Wingecarribee Shire Council which you have declined to do.

Consent is therefore refused due to the absence of consultation with and concurrence from the proposed incoming roads authority, Wingecarribee Shire Council.

The Department of Industry – Crown Lands is prepared to review this decision following a request for a Section 151 *Roads Act 1993* road transfer from Wingecarribee Shire Council or evidence to the Department's satisfaction that such a request is forthcoming. It is incumbent on you, as the applicant, to commence discussions with Wingecarribee Shire Council regarding this.

Please note that a copy of this correspondence will be provided to the Department of Planning and Environment and to Wingecarribee Shire Council.

For further information, please contact Sara Williams via the details given in the letter head.

Yours sincerely

Sara Williams
Property Services Officer
Department of Industry – Crown Lands, Goulburn
