Dear Sir/Madam,

**Re: Notice of Exhibition SSD 6334  
Sutton Forest Quarry Project**

We refer to the proposed Sutton Forest Quarry Project located near the McDonald's restaurant's know as Sutton Forest (Northbound) and Sutton Forest Southbound. These properties are located at the Shell Service Centre, Hume Highway Sutton Forrest and 61 Sallys Corner Road, Exeter.

While based on information provided we do not object to the proposed development, it is critical that appropriate vehicular access is established so that there is no adverse impact on the surrounding area and businesses. Additionally, necessary measures should be put in place to ensure there are no adverse impacts to surrounding properties and operations resulting from the actual mining activities. This includes ensuring all necessary protections are put in place to maintain water quality and the current ecology including preservation of existing flora and fauna.

McDonald's Sutton Forest (Northbound) restaurant currently trades 24 hours 7 days per week, whilst McDonald's Sutton Forest Southbound restaurant currently trades 5am to 11pm daily.

We would appreciate the Department's consideration in assessing this application.

Should you wish to discuss this any further, please contact me on (02) 9875 6193.

Yours sincerely,  
**Harveen Rana**
