**Attention:** Director - Resource Assessments

This is a submission on the **Sutton Forest Quarry Project: EIS SSD 6334**

Dear Director:

I **STRONGLY OPPOSE** this mining development.

My reasons include the following.

- *destruction of the environment*
- *animal dis-location ie koalas*
- *health issues from air pollution and noise*

I declare that I have made no reportable political donations in the previous two years.

Yours sincerely,

---
