Dear Chris

Ferry Wharf Residential Development – State Significant Development Section 96(1) Application

SOPA has reviewed the documentation provided by Payce Communities Wentworth Point Pty Ltd (Developer) for the proposed modification to the State Significant Development SSD 6387 consent (Consent) for Ferry Wharf residential development, Burroway Rd, Sydney Olympic Park.

It is noted that the application seeks to modify some land use controls.

SOPA has no objection to the proposal. Accordingly SOPA grants Land Owner's Consent for the proposed Environmental Assessment application to be lodged to the Department of Planning and Infrastructure for approval under State Significant Development of the *Environmental Planning and Assessment Act 1979* (EP & A Act).

Yours sincerely
