Proposed Bobs Farm Sand Mine

Public Meeting at

Bobs Farm Hall, Marsh Road

Tuesday, 25th November, 2014 at 6pm

Tattersall Lander Pty Limited, on behalf of Ammos Resource Management Pty Limited, is proposing to undertake a sand mining development on land off Nelson Bay Road at Bob Farm. The land is currently used for agricultural purposes as a fig and olive farm and will include other adjoining properties.

This project will form part of an Environmental Impact Assessment (EIS) being prepared to support an Application for Development Consent under Part 4. Division 4.1 of the Environmental Planning and Assessment Act 1979 (EP&A Act) for the project which will involve the establishment of a sand quarry with a yearly production rate of up to 750,000 tonnes/year.

The Public Meeting will be provided with a detailed briefing on proposed operational details and the Local Community are invited to raise any relevant issues.
