RECEIVED

Attention: Carl Dumpleton, Senior Planner, Mining Projects

Dear Carl,

**RE: CLARIFICATION OF DGR SUPPORTING INFORMATION RE PROPOSED
SAND MINE, NELSON BAY ROAD, BOBS FARM**

Further to our advice to the Departments request for DGR supporting documentation and contained in our correspondence of the 21st February 2014 and specifically under the heading of Consultation, the wording indicated that the "*Mayor of Port Stephens Council strongly supported the proposed operations*".

This wording is being wrongly interpreted as the only support that the Mayor has provided was for the Application to be undertaken.

The Mayor, at no time, has offered either support or opposition for the operations and as Council will be part of the assessment process for the Environmental Impact Statement, Council will address the Application on its merits, when lodged.

Should you require further clarification on any of the issues detailed in this advice, or have any further requirements, please do not hesitate to contact this office.

Kind regards

TATTERSALL LANDER PTY LTD
