Subject: FW: Exhibition of Modification Request for Barangaroo South - Building R1 (Pub and Restaurant Development) (SSD 6513 MOD 4)

Dear Luisa,

Thank you for inviting the City to comment on the modification application to continue the current trial period for extended trading hours at "Barangaroo House" for a further 2 years.

Please note that a search of Council records has revealed that the subject premises has no current/outstanding Order or any history of non-compliance. The City has no further comments to make with regards to the proposed modification.

Regards,

Vanessa
