**Subject:** RE: Dolwendee Quarry Project - Response to Submissions now available

Thomas,

Apologies for the delay.

Roads and Maritime have reviewed the Applicant's Response to Submissions (RTS) report dated 6 July 2016 for the Dolwendee Quarry Project. It is noted in the RTS they refer to constructing the intersection with the Golden Highway to a BAR/BAL. Roads and Maritime's response on the 20<sup>th</sup> January 2016 was for the intersection to be constructed as a BAR/AUL, this advice still remains and the applicant will require to construct the AUL component as part of their works.

Also as referred to in the RTS, Roads and Maritime are in the process of upgrading the intersection of the Golden Highway / Rosemount Road. The applicant should continue to liaise with the Roads and Maritime's coordinator for this project to ensure a co-ordinated approach.

Roads and Maritime have no further issues with the RTS.

### Dolwendee Quarry Project (SSD 6519)

The Department has received the Applicant's Response to Submissions (RTS) report for the Dolwendee Quarry Project. It is now available from our website at [http://majorprojects.planning.nsw.gov.au/index.pl?action=view\\_job&job\\_id=6519](http://majorprojects.planning.nsw.gov.au/index.pl?action=view_job&job_id=6519).

It would be appreciated if you could please review the RTS report and provide any supplementary comments and/or recommended conditions of consent to the Department by close of business **Thursday 21 July**.

If you have any queries, or would like to discuss the project further, feel free to contact me on the details below.

Thanks and regards,

**Thomas Watt**
