Check all dimensions and site conditions prior to commencement of any work, the purchase or ordering of any materials, fittings, plant, services or equipment and the preparation of shop drawings and/or the fabrication of any components.

All drawings to be read in conjunction with all architectural documents and all other consultants documents.

Do not scale drawings - refer to figured dimensions only. Any discrepancies shall immediately be referred to the architect for clarification.

All drawings may not be reproduced or distributed without prior permission from the architect.

Revision Summary:

Revision 02 - Section 96 Amendments

A - Revision to landscape levels. Tower lobby FFL lowered from 10.70 to 10.30. Tower typical floor to floor height levels reduces from 3.2m to 3.1m.

B - Excess plant space on rooftop converted to residential flats. New floor inserted at Level 35.

C - New typical floor inserted at level 25.

D - Material change to vertical aluminium profile.

E - New retail tenancy within existing footprint at grade.
