Dear Mr Roberts

I refer to your letter dated 17 August 2015 inviting comment on the proposed modification to the mixed use development at Site 68 Sydney Olympic Park (SSD 6603 MOD1). The EPA will not be providing comments on the proposed modification, other than to note that all construction activities should be undertaken in accordance with relevant guidelines, including the relevant guidelines for noise, vibration, and erosion and sediment control.

Please call me if you have any questions.

Kind regards

Wendy
