**Subject:** HPE CM: RE: Notification of Modification Applications to the North East Plot (SSD 6626 MOD 2) and South East Plot (SSD 6633 MOD 2), Darling Square

Dear Liza,

The City has reviewed the modification application which relates to the installation of public art in Little Hay Street.

No objection is raised by the City subject to the modification application.

Please note that if the applicant in the future proposes to dedicate the artwork and/or Little Hay Street to the City that the artwork only be only to be transferred to the City of Sydney's public art collection, in good condition, and that the City will undertake a review of the artwork condition, maintenance costs and any other issues to determine this.

Regards

Vanessa
