A horizontal beam of total length 5m is shown. The left end is labeled '0'. At 1m from the left, there is a vertical tick mark. At 2m from the left, there is another vertical tick mark. The beam is divided into two parts: a 2m section from the left end to the 2m mark, which is filled with a black and white checkerboard pattern, and a 3m section from the 2m mark to the right end, which is solid black. The right end is labeled '5m'.

Please note; all elevations to be preceived as diagrams,
for proposed colours and materiality of this facade please
refer to visualisations PA-A4-3990-3992
