Dear Ms Harras

SSD 6674 (MOD1) – UNSW BIOLOGICAL SCIENCE PROJECT STAGE 1

I am writing to you in reply to your invitation to the EPA to provide a submission in respect of the proposed modification.

The EPA has no specific comments on the modification and requests the Department to consider this letter in the context of its detailed EIS comments by letter dated 7 April 2015.

The EPA emphasises that it does not review or endorse environmental management plans or the like for reasons of maintaining regulatory 'arms length'. And, has not reviewed any environmental management plan forming part of or referred to in the modification application.

Should you require clarification of any of the above please contact John Goodwin on 9995 6838.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'M Sharpin', followed by the date '15-12-16' also in blue ink.
