Dear Mr Mooney

**Paling Yards Windfarm (SSD 6699): Notice to withdraw application**

I write to confirm Global Power Generation Australia's (GPGA) decision to withdraw application SSD6699 for the Paling Yards Wind Farm Project, also noting our intention of lodging a new application for the Project.

A refreshed application will provide GPGA opportunity to revisit the wind farm design to make use of the latest in new technologies, whilst also incorporating contemporary planning needs.

Application documents were removed from the NSW Planning Portal on 7 August 2020.

I thank you for your time and attention in coordinating the assessment to date.

I affirm GPGA's commitment to the Paling Yards Wind Farm.

Yours sincerely
