Subject: RE: Request to review of applicant's response to submissions for the Sandstone Precinct, 23-33 Bridge Street & 35-39 Bridge Street, Sydney.

Hi Nuray,

Roads and Maritime notes the application is unlikely to have a significant impact on the classified road network and therefore does not have any specific recommended conditions for incorporation to the determination. However please note the TfNSW CBD Coordination Office will provide a response under separate correspondence in this regard."
