Dear Mr Sargent,

Re: Exhibition of State Significant Development Application, Sumatran Tiger Adventure, Taronga Zoo (SSD6864)

Thank you for your referral dated 28 July 2015 regarding the abovementioned development proposal.

The Foreshores and Waterways Planning and Development Advisory Committee (the Committee) has reviewed the referral in accordance with *Sydney Regional Environmental Plan (Sydney Harbour Catchment) 2005* (the SREP), and considers the proposed development to be a 'Category 1' matter.

In referring the proposal to the Committee, the Department of Planning and Environment as has satisfied its statutory obligation as required under the SREP. Notwithstanding this, as the redevelopment of the existing carnivore exhibit will remain in keeping with the overall character and appearance of the zoo (when viewed from the harbour), the Committee does not feel it necessary to provide any specific comments concerning this proposal.

Yours sincerely

Scott Schimanski
Chair
