Dear Ms Gibson

**Notification of Exhibition for Section 96(2) Modification to Gosford Hospital
Redevelopment (SSD 6913)**

Thank you for your email message dated 13 September 2016, requesting Transport for NSW (TfNSW) review and comment on the above.

The modification proposal envisages changes to internal access arrangements to the car park and extension of the car park towards Showground Road. TfNSW requests that the applicant assesses the impacts and provide mitigation measures, in consultation with TfNSW and Central Coast Council, for the following as a result of the proposed changes:

- Future bus services and facilities (bus stops) along Showground Road; and
- Pedestrian facilities for all road users including mobility impaired pedestrians from future bus stops on Showground Road and the hospital entrance.

If you require clarification of any issue raised, please don't hesitate to contact Para Sangar, Senior Transport Planner Land Use Planning and Development on 8202 2672.

Yours sincerely

24/10/16
