Dear Katelyn

6 September 2019

**Oakdale South Estate MOD11 SSD6917 – Reasonable Equivalence Application –
Vegetation Management Plan**

Thank you for giving the Natural Resources Access Regulator (NRAR) the opportunity to comment on the Reasonable Equivalence Application and the draft Vegetation Management Plan. NRAR has reviewed the application and draft plan and provides the following comments:

- The draft consent for Modification 11 references OEH in condition E47(b). The Natural Resources Access Regulator agrees that the condition should be updated to replace OEH with NRAR.
- NRAR requests the VMP be developed in accordance with the Guidelines for Controlled Activities (2012) <https://www.industry.nsw.gov.au/water/licensing-trade/approvals/controlled-activities>.

Should you have any further queries in relation to this submission please do not hesitate to contact Ellie Randall on (02) 4275 9308. Please note the generic email address for correspondence is nrar.servicedesk@industry.nsw.gov.au.

Yours sincerely
