Dear Ms Thornton

**Oakdale South Industrial Estate Concept Plan and  
Stage 1 modification (SSD 6917 MOD 7)  
Comment on the Environmental Assessment**

I refer to the email of 21 February 2018 to the Department of Industry in respect to the above matter. Comment has been sought from relevant branches of Lands & Water and Department of Primary Industries.

Any further referrals to Department of Industry can be sent by email to [landuse.enquiries@dpi.nsw.gov.au](mailto:landuse.enquiries@dpi.nsw.gov.au).

The department has reviewed the environmental assessment and provides the following recommendations for consideration in assessment of the proposal.

**Recommendations**

Lands & Water has no objection to the proposed modification (MOD 7) provided that conditions of approval are consistent with the previously issued approval for SSD 6917,

The following condition is also recommended:

- Any works undertaken within watercourses or waterfront lands should be done in accordance with Department of Industry – Water's Guidelines for Controlled Activities on Waterfront Land (2012).

Yours sincerely
