Subject: Vopak Terminals Expansion (SSD 7000) - EIS Adequacy Review

Dear Ms Morales

Thank you for your email dated 4 September 2015 to the Office of Environment and Heritage (OEH) regarding the State Significant Development Application and Environmental Impact Statement for Vopak Terminals B4 Expansion at 39 Friendship Road, Port Botany (SSD 7000).

After reviewing the relevant documents, OEH's Greater Sydney Planning Team has concluded that the matter does not contain biodiversity, natural hazards and Aboriginal Cultural Heritage issues that require a formal OEH response. We have no need to be further involved in the assessment of the project.

Regards
Belinda
