Bianca,

I refer to the Department's letter dated 18 July 2017 regarding the subject modification application.

The application submission has been reviewed and overall Council raises no objections to the proposed modifications to the previously approved development.

Thank you for the opportunity to comment on the revised proposal. Should you require any further information or would like to discuss this matter further, please do not hesitate to contact me on (02) 4732 7593.

Regards.
