Dear Ms. McNicol

**Notification of Modification Application – Erskine Park Resource Management Facility  
(SSD 7075 MOD 2)**

Thank you for your letter dated 23 January 2018 inviting Transport for NSW (TfNSW) comment on the Applicant's proposal to modify the development consent for the Erskine Park Resource Management Facility.

It is understood that the modification application seeks approval for following:

- an increase to the overall site levels including relocation of the access ramp at the waste water treatment plant; and
- relocation of the car park, with no decrease in car parking spaces.

Based on a review of the Applicant's Environmental Assessment Report, TfNSW raises no objections to the proposed modifications.

If you require any further information, please contact Ken Ho, Transport Planner, via email at [ken.ho@transport.nsw.gov.au](mailto:ken.ho@transport.nsw.gov.au).

Yours sincerely

9/2/2018
