Subject: HPE CM: RE: Notice of Section 96(1A) Modification - Sydney Zoo (SSD 7228 MOD 1)

Hi Chloe,

Thank you for forwarding the above proposal to the Office of Environment and Heritage (OEH) for consideration.

After reviewing the relevant documents, OEH's Greater Sydney Planning Team has concluded that the matter does not contain biodiversity, natural hazards or Aboriginal cultural heritage issues that require a formal OEH response. We have no further need to be involved in the assessment of this project.

Kind regards,
Dana
