Approval of the Flood Emergency Response Sub-Plan**

I refer to your submission dated 1 June 2020 requesting approval of the Flood Emergency Response Sub-Plan, Revision 4, dated 16 June 2020 under condition B11 of SSD 7308. I also acknowledge your response to the Department's request for additional information.

The Department has carefully reviewed the document and is satisfied that the plan contains the information required by the conditions of consent, including:

- being prepared by a suitably qualified and experienced person
- being prepared in consultation with Penrith City Council
- being consistent with the findings of the St Marys Freight Hub – Stormwater Management Report prepared by BG&E (dated 30 September 2019)
- addressing the provisions of the Floodplain Risk Management Guidelines.

Accordingly, as nominee of the Planning Secretary, I approve the Flood Emergency Response Sub-Plan (Revision 4, 16 June 2020) under condition B18 of SSD 7308. Please ensure that the approved plan is placed on the project website.
