**CONNECTION OFFER – BASIC CONNECTION SERVICE**

Dear Sir/Madam

**UCL7857 – LOT 1, DP 1112822, 3 MARIST PLACE , PARRAMATTA**

Thank you for your application providing information for the proposed connection of additional load at the above location.

The attached Permission to Connect letter gives approval for the connection of a total approved load of **600 amps per phase** to Endeavour Energy's low voltage network, in accordance with the Terms and Conditions of the published Model Standing Offer for a LV Basic Connection Service.

This Permission to Connect is effective from **6 April 2016** and is valid for a period of twelve months.

There will be no connection charge applicable for the connection of the approved additional load.

You or your electrician will need to contact a Level 2 Accredited Service Provider (ASP) who can provide you with a connection to the network. A list of Level 2 ASPs is available at NSW Trade and Investment website: <http://www.energy.nsw.gov.au/electricity/network-connections/contestable>, or can be obtained via phone 13 77 88.

When your ASP has completed your connection service, please contact Endeavour Energy on 133 718 to notify us of the completion date of your connection services works.

Should you have any enquiries regarding your application, please contact the undersigned.

Yours faithfully,

*Dean Wu*
