Dear Ms Harragon,

re: UTS Central [SSD 7382] and Jones Street upgrade

The upgrade of Jones Street is included in the proposed works of the UTS Campus Masterplan.

It is scheduled for implementation in 2019 following completion of the UTS Central works Phase 1.

It is proposed that the design be subject of a single stage competition in collaboration with City of Sydney.

The consent authority will be City of Sydney as the value of the works will not exceed \$30M.

Yours sincerely,

Clive Gunton
