Ultimo NSW 2007

28th March 2017

Attention: Greg Moore

UNIVERSITY OF TECHNOLOGY, SYDNEY

Dear Greg,

DJRD and Lacoste + Stevenson confirm that the Broadway facade as depicted in the current S96 application faithfully represents the design intent of the original competition-winning scheme.

In particular, the height, width and gradient of the expressive and pronounced curved form of the main entrance in Stage 2 is maintained.

Yours faithfully,
DJRD PTY LTD

Yours faithfully,
Lacoste + Stevenson Pty Ltd
