**Subject:** SSD 7419 - Modifiaction to the Australian Habitat and Wildlife Retreat

**Follow Up Flag:** Follow up  
**Flag Status:** Completed

Hi Tim,

In response to the notification letter, I have reviewed the modification application and make the following comment:

Council recommends that any changes to the buildings, specifically the provision of the shroud to the skylight and provision of photo voltaic panels should be designed and sited to ensure a minimal visual impact when viewed from surrounding headlands, residential properties and the harbour.

Regards  
Joe Vertel
