Hi Peter,

Thank you for referring this development proposal for Hunter Water's comments.

Please note that capacity is available to serve the development and there are no particular requirements which would need to be included in your assessment.

In April 2016 Hunter Water provided Notice of Formal Requirements to the Hydraulic Design Consultant for the Development – please see attached copy please note this is not being submitted for your information and not for inclusion/consideration in your assessment.

Please feel free to contact me if you require further information.

Regards,

Paul McKoy
