Dear Kate,

RE: RE: Proposed Warehouse/Distribution and Industrial Facility in Fairfield Local Government Area (SSD 7564) Notice of Exhibition

Thank you for your letter dated 3 June 2016 regarding the abovementioned proposal, requesting comments from the Heritage Division.

The Heritage Division of the Office of Environment and Heritage (OEH), as delegate of the Heritage Council of NSW, has reviewed the documentation, specifically the report entitled:

- 'Environmental Impact Statement Proposed Two Staged Warehouse/Distribution and Industrial Facility, Proposed Lot 2 Horsley Drive Business Park', (the EIS) prepared by Willow Tree Planning Pty Ltd on behalf of Frasers Industrial Constructions Pty Ltd and dated March 2016.

A search of the State Heritage Inventory indicates that the proposed location is not in the vicinity of any State Heritage Listed sites. As such, consultation with the Heritage Council is not required.

- However, you may like to consider the following archaeological condition:
 - o If historical archaeological deposits or Aboriginal objects are discovered during works, work must immediately cease in the affected area(s) and a suitably qualified and experienced archaeologist must be contacted to assess the finds. Additional assessment and approval may be required prior to works continuing in the affected area(s) based on the nature of the discovery.

If you have any further enquiries regarding this matter, please contact Bronwyn Smith, Heritage Assessment Officer, Heritage Division, Office of Environment and Heritage, on (02) 9873 8604 or via email to bronwyn.smith@environment.nsw.gov.au

Yours sincerely
