Dear Karen,

RE: Request for Additional Information: Moorebank Intermodal East – Mod 3 (SSD 7628 Mod 3)

Thank you for your correspondence dated 7 September 2020 regarding the above Modification to SSD 7628.

In response to DPIE's Request for Information (RFI), on behalf of the Applicant, we can confirm the following components, previously forming part of SSD 7628 Mod 1 application, are now to be integrated into the outcome of the application for SSD 7628 Mod 3:

- Modification to signage requirements under Condition B141(f) of the consent; and
- Administrative modifications associated to general referencing (multiple conditions, as previously identified as part of application SSD 7628 Mod 1).

Remaining traffic-related matters that are subject to SSD 7628 Mod 1 will remain part of the Mod 1 application, that is yet to be determined by NSW DPIE.

Please feel free to contact me should you require any further information

Kind Regards,
