Attention: Brett Crellin

Dear Brett,

RE: Section 4.55 – Modification to SSD_7662

Job No: 160013

JHA confirm that the proposed Modification to SSD_7662 changes will not have any impact on previously issued and approved Water Cycle Management Plan, particularly regarding the following:

- Rainwater harvesting strategy
- Non- potable water demands
- Rainwater tank modelling
- Seepage Water

Regards
