

An architectural rendering of a large-scale commercial development, specifically a Woolworths distribution center. The image shows a wide, paved access road in the foreground, bordered by a grassy verge on the left. In the middle ground, a large, modern industrial building with a white and green facade is visible. The building features the Woolworths logo and name. To the left of the main building, there is a smaller structure with a sign that reads "5 West". Several white delivery trucks are parked in a designated area near the building. The sky is blue with scattered white clouds. The overall scene depicts a well-planned, modern logistics facility.
