

Modification of Development Consent

Section 4.55 1A of the *Environmental Planning and Assessment Act 1979*

As delegate of the Minister for Planning and Public Spaces, I approve the modification of the development consent referred to in Schedule 1, subject to the conditions in Schedule 2.

David Gainsford
Executive Director
Infrastructure Assessments

Sydney 25th September 2019

SCHEDULE 1

Development consent: **SSD-7919** granted by the Independent Planning Commission on 2 October 2018

For the following: Redevelopment of Loreto Kirribilli School, involving:
Concept development application for the staged redevelopment of Loreto Kirribilli School comprising:

- Concept Proposal to support 1130 students (30 additional students) and 182 full-time equivalent staff members, in three stages over 50 years including:
 - demolition works;
 - maximum building envelopes for new buildings;
 - alterations and additions to existing buildings and envelopes for connector pods to improve access arrangements;
 - landscaping works including removal of 11 trees; and
 - remediation works.
- Stage 1 of the development comprising:
 - demolition of B-Block, sections of the chapel and the sections of buildings in the eastern precinct;
 - excavation up to 13 metres (m);
 - construction of a seven-storey learning hub including four-levels of basement and a roof-terrace;
 - extension to the existing gymnasium;
 - construction of a five-storey connector pod in the northern precinct;
 - construction of a connector pod with ramps and stairs in the eastern precinct;
 - construction of a four-storey connector pod in the southern precinct including learning studios and an external learning terrace;
 - alteration and refurbishment of the chapel;
 - walkways connecting buildings;
 - landscaping works including removal of 10 trees;
 - stormwater works and remediation works; and
 - enrolment of 30 additional students and two additional staff members.

Applicant:	Loreto Kirribilli
Consent Authority:	Minister for Planning
The Land:	85 Carabella Street, Kirribilli (Lot 200 DP 1166282)
Modification:	<p>SSD-7919-Mod-1: Amendments to the approved development as follows:</p> <ul style="list-style-type: none"> • Stage 1 works <ul style="list-style-type: none"> ○ Internal and external alterations to the design of the approved learning hub (referred to as the Innovation Centre) including: <ul style="list-style-type: none"> - reorientation of the building; - reconfiguration of internal floors; - corresponding amendments to external facades; - amendments to the external materials and finishes; - enclosure of north facing outdoor learning areas; - extension of an indoor learning area by enclosing the open space on lower ground level 4; - relocation of the plant room on the western boundary to the roof top; - addition of a low-height plant enclosure on the south-eastern side of the roof; and - amendments to the design of the rooftop garden. ○ External alterations to the approved outdoor terraces and walkways including the form, materials and finishes, and removal of planter boxes; ○ External and internal modifications to the design of the approved gymnasium alterations including: <ul style="list-style-type: none"> - amendments to the landscaped terrace on the northern façade and addition of an emergency stair access; - internal reconfiguration, addition of a lift and amendments to accessible connections; and - modifications to the materials and finishes. ○ Addition of end-of-trip-facilities and storage areas on the lower ground level of the Centenary Hall with accessible connection between the building, the gymnasium and the Innovation Centre; ○ Modifications to the approved internal alterations to the existing chapel; ○ Retention of the existing “core teaching space” within the Elamang learning area; ○ Amendments to the design of the approved landscaped areas within the northern, southern and western precincts aligning with the proposed modifications to the built form and retention of some of the existing landscaped areas; and ○ Extension of time to submit an Operational Transport and Access Management Plan. • Concept Proposal <ul style="list-style-type: none"> ○ Modifications to approved building envelopes (southern, western and northern precincts) and landscape masterplan to be consistent with the proposed amendments to the Stage 1 works; and ○ Minor refurbishment of a landscape path in Stage 2.

SCHEDULE 2

The consent (SSD 7919) is modified as follows:

- a) Schedule 2 (Condition of consent for Concept Development Application) Part A (Administrative conditions) is amended by the insertion of the **bold and underlined** words / numbers and deletion of the struckout words/numbers as follows:

Terms of Consent

A2. The development may only be carried out:

- (a) in compliance with the conditions of this consent;
- (b) in accordance with all written directions of the Planning Secretary;
- (c) in accordance with the EIS as amended by the RtS ~~and~~ Supplementary RtS Information and **SSD-7919-Mod-1**; and
- (d) in accordance with the approved plans in the table below:

Operational Transport and Access Management Plan (OTAMP)

A20. The OTAMP must be submitted to the satisfaction of the Planning Secretary for approval within ~~six (6)~~ **three (3)** months of approval of this development consent **application SSD-7919-Mod-1.**

c) Schedule 3 (Condition of consent for Stage 1 works) Part B (Prior to the issue of a construction certificate) is amended by the insertion of the bold and underlined words as follows:

Ecologically Sustainable Development

B8. The chosen Ecologically Sustainable Development (ESD) measures must be incorporated into the final design, as identified in the *Sustainability Masterplan Report* prepared by *Norman Disney and Young* dated 28 July 2017 and the alternate measures proposed in the **S 4.55 Letter of Support (SY182476-SL-01-4) prepared by Northrop dated 05/08/2019.** Details demonstrating compliance with this condition must be submitted to the satisfaction of the Principal Certifying Authority.

End of modification

(SSD-7919-MOD-1)
