WATERMANS COVE SECTION A-A

The following drawings represents one of the sections that have been developed for Watermans Cove. It is part of a family of nine (9) sections in total.

The complete set of these sections is included in our accompanying drawings.

1. Celtis australis tree avenue
2. Crown Sydney licensed seating area
3. Existing apron structure retained
4. New structure and piles
5. Porphyry paving

The complete set consists of nine (9) sections, with this section being one of them. The following details are included:

- Retained columns
- Columns cut to ocean floor
- Modified columns with new cap

The plan is at a scale of 1:200 and represents the layout and details of the section 'A-A'.
